“Internship Experience Letter”

TO WHOMSOEVER IT MAY CONCERN

I am writing to confirm that PremKumar has successfully completed their web development internship at Straightline Technologies. During their tenure with us, he has demonstrated exceptional skills and dedication in various aspects of web development.

PremKumar acquired useful PHP and MySQL experience while working with us. He also learned about industry standards and best practices, which can surely help her in their future undertakings.

I highly recommend **PremKumar** for his employment elsewhere. He is a joy to work with and would make a great asset to any organization.
